Foreword

A RECORD YEAR! Such a year was this school year 1954-1955.

Nearly 2000 students, a record number, and a fine new gym are truly records to be proud of. But they alone do not make **A RECORD YEAR.**

What does make **A RECORD YEAR?** Do the student body officers, those students who receive awards, the teams, and the administration make **A RECORD YEAR?** No one will deny that these people are leaders and help to make **A RECORD YEAR.** But without good followers there could never be good leaders.

Every student helps to make **A RECORD YEAR.** In striving for individual betterment each student strives to better his school. Accomplishments and achievements of every student become records for Rosemead High. All students who have added to their own knowledge and experiences have contributed in making this year at RHS **A RECORD YEAR.**

In the words of Longfellow:

"Lives of great men all remind us
We can make our lives sublime,
And departing leave behind us
Footprints on the sands of time."

Each student who has recorded his footprints in the halls of Rosemead High this year has helped to make **A RECORD YEAR.**

So this school year comes to a close—a year of success, a year of facing defeat and trying again, a year of surprises, a year of pleasures, a year of sorrow, a year of gladness, a year of new experiences, a year of accomplishments — **A RECORD YEAR!**

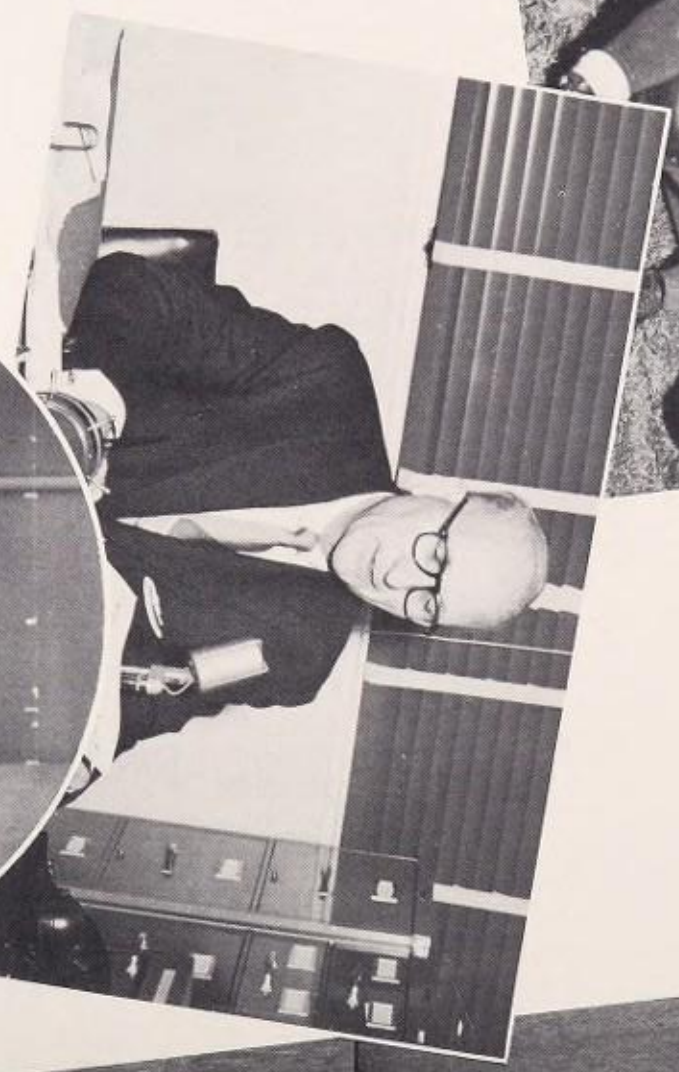
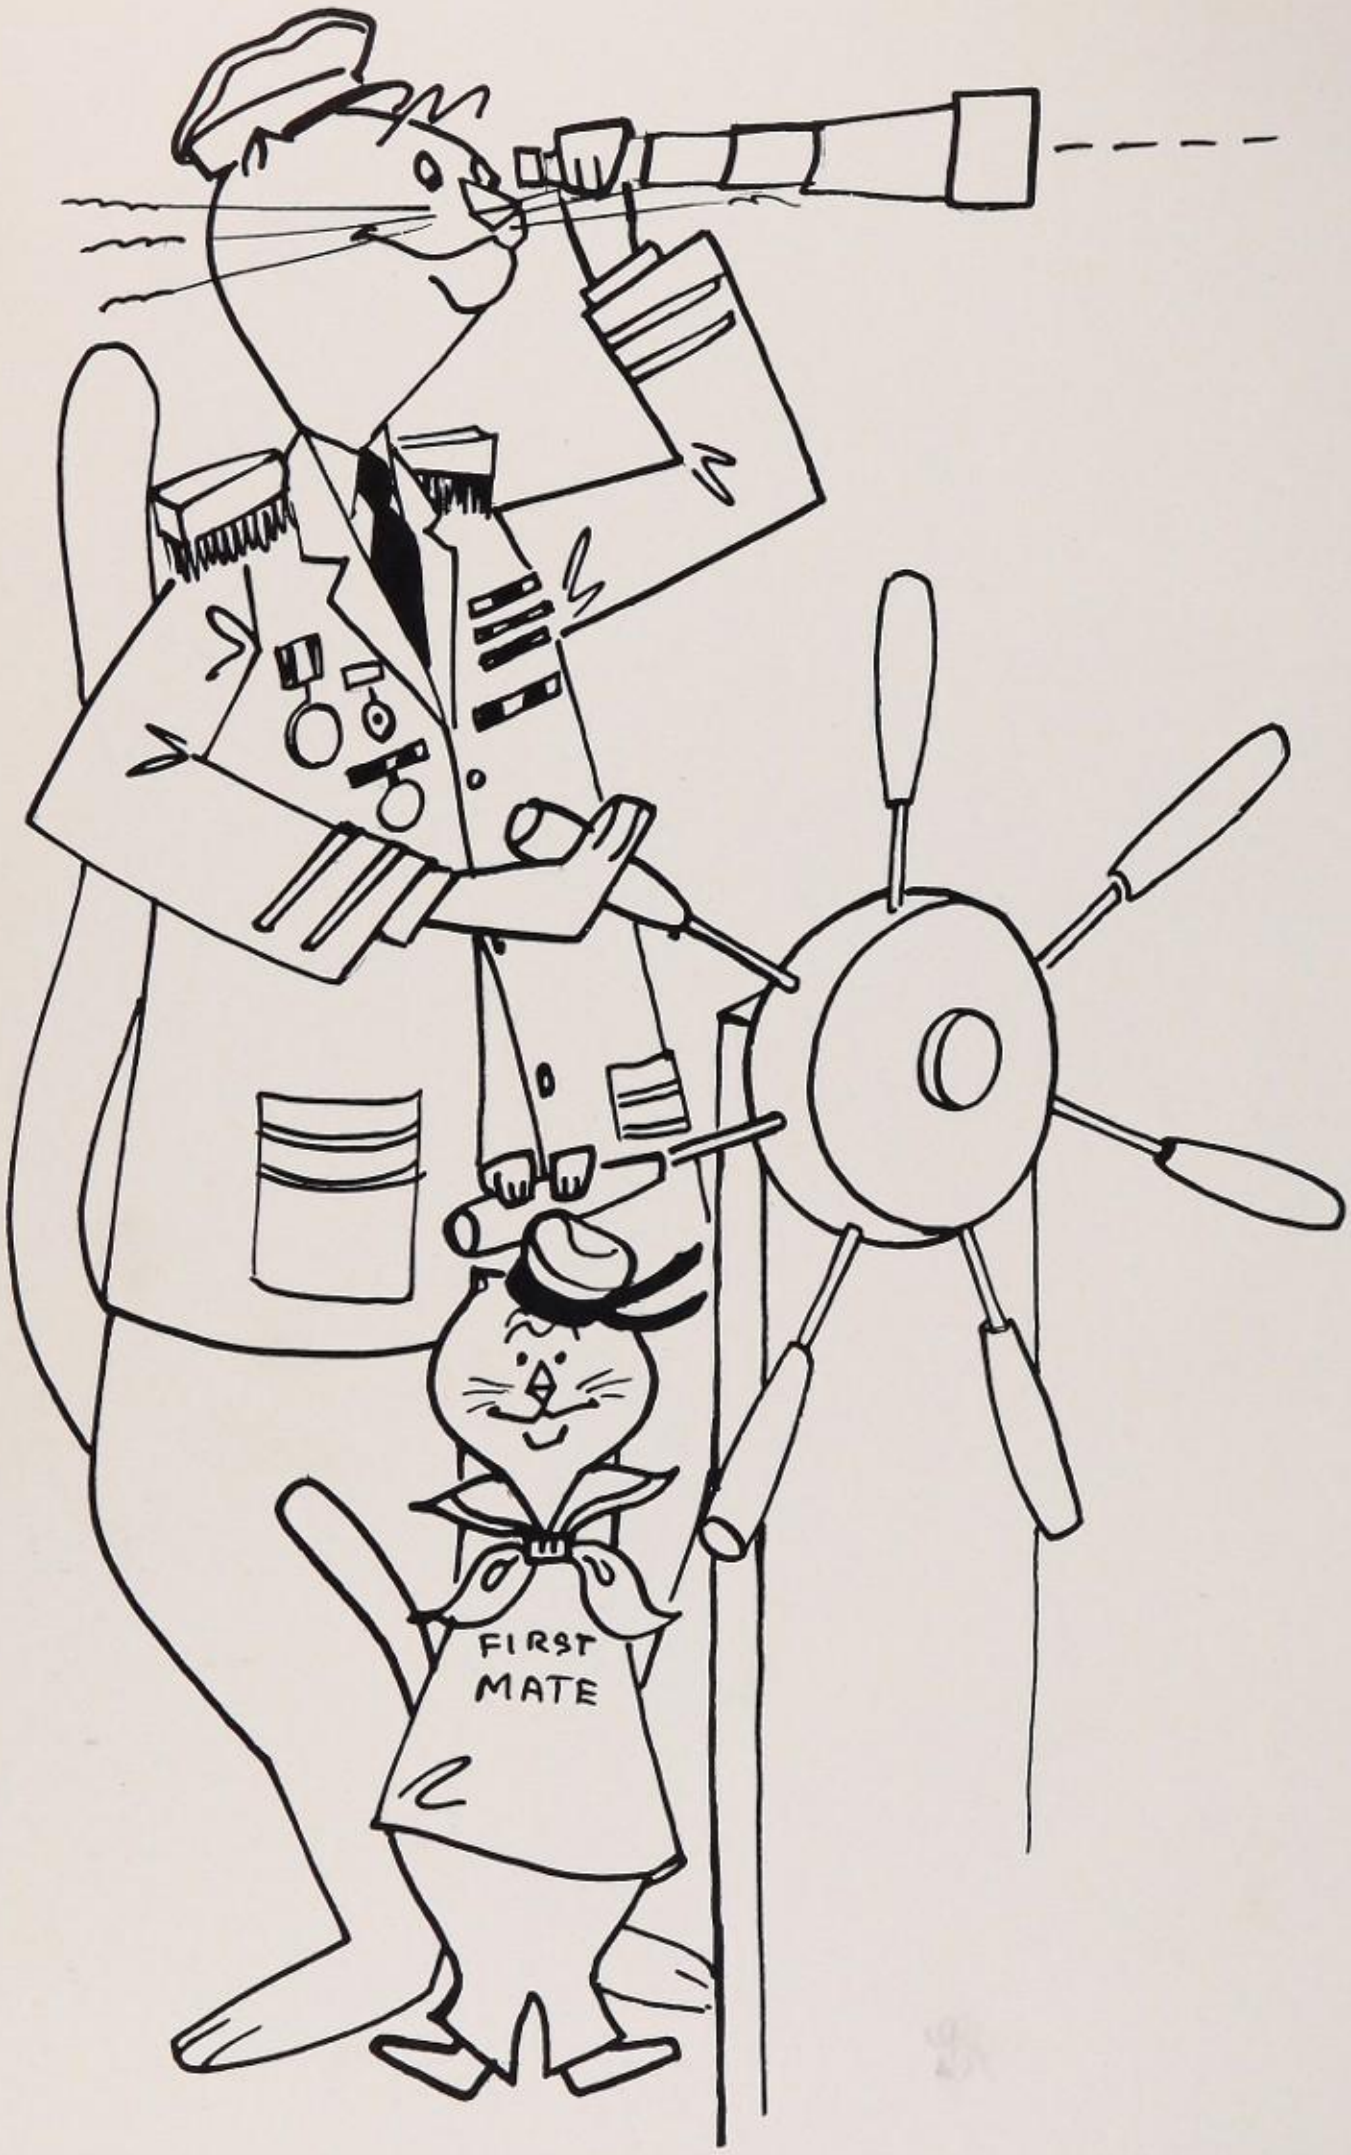
DEDICATION



To Mr. McNichols, our principal, for his guidance and support, this 1955 Pantherama is dedicated.



Leaders are**THE HIGH AND THE MIGHTY** because the students put their confidence in them, knowing that they will lead them through a record year.

LEADERS

ADMINISTRATION

Guiding the district through the Record Year was our able and respected Superinden-dent Mr. B. L. Bergstrom. Due to his efforts, the student body may look forward to greater records each year.

During the Record Year as our Principal, Mr. Lester Mc-Nichols has made his untiring devotion to everything right and good for each and every one of us and for our great institution an example and inspiration for us all.

A helping hand throughout this great year was extended by Mrs. Edith Irwin, our Vice-Princi-pal. Her counsel and constructive help assured us success in our undertakings.

Board of Trustees

Mr. Alfred Von Nyvenheim, Mrs. Esther Peake, Mr. Harold Pearson, Mr. Lloyd Dancer, Dr. J. Edwin Butters.

Mr. LaMar Hill, assistant superindendent in charge of business.

Dr. Gunnar Walquist, Director of Research and Guidance.

Representing the people of the district was our resourceful, energetic, and interested Board of Trustees. Solving the financial problems that are always present during a record year was our Assistant Superintendent in charge of Business, Mr. LaMar Hill. Students, students, more students! Curriculum and Guidance for an ever-increasing student body was ably supervised by Dr. Gunnar Wahlquist.

Administative and Counseling Staff

Mrs. Ann Moran, Mrs. Katherine Trepp, Mr. James Roman, Mr. Merwin Genung; Counselors

With a smile and the thought **I UNDERSTAND** the Administrative and Counseling Staff helped solve student problems this record year.

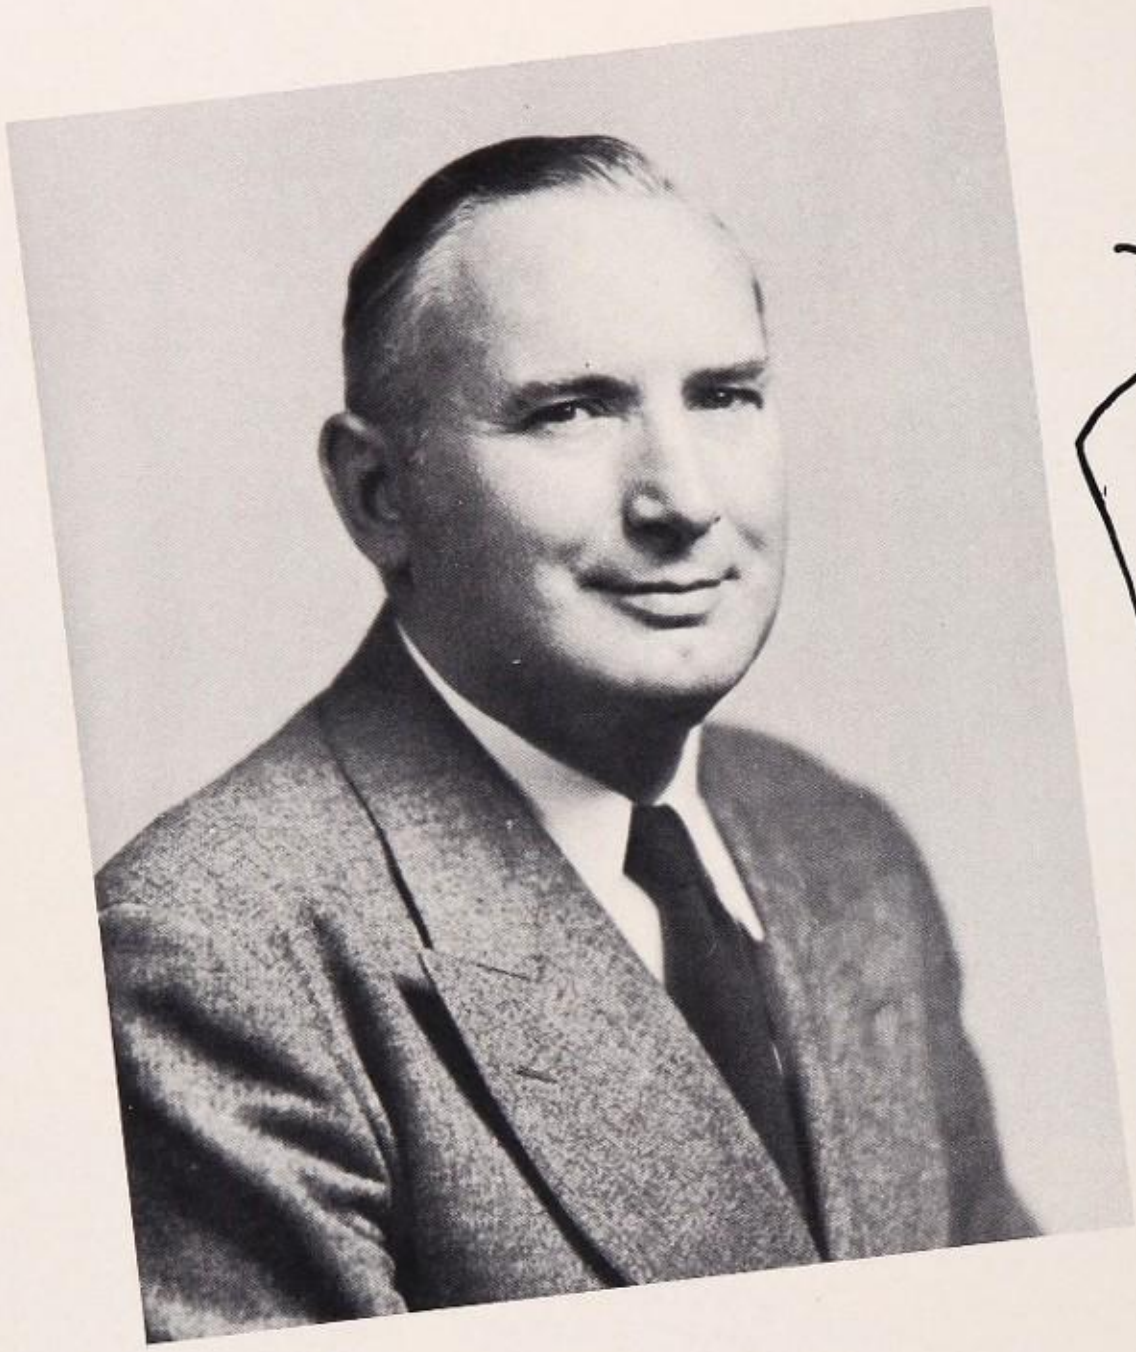
RETIRING

Mr. Music



This Record Year was marked by the retirement of Mr. Harold Brown, our nationally known and respected district music director. After twenty-six years of public school service in the field of athletics and music, Mr. Music wil be missed by the student body and all who were fortunate to be associated with him. His tireless efforts to place our school district on the music map of America, and his success in training young musicians will be long remembered. The Panther student body salutes him and hails "Well Done; Best Wishes!"

Mrs. Ruth Mayer, who has been head of the art department since opening day, was also forced to retire late this year because of illness. She has served the El Monte Union High School District since 1928.

It's these students, elected and appointed each semester, who make up the Commission which is a basic part of student government. The Commissioners lead students through record - breaking years, but it is only with the support and interest of every student that they can succeed in making a record year.

APRIL SHOWERS

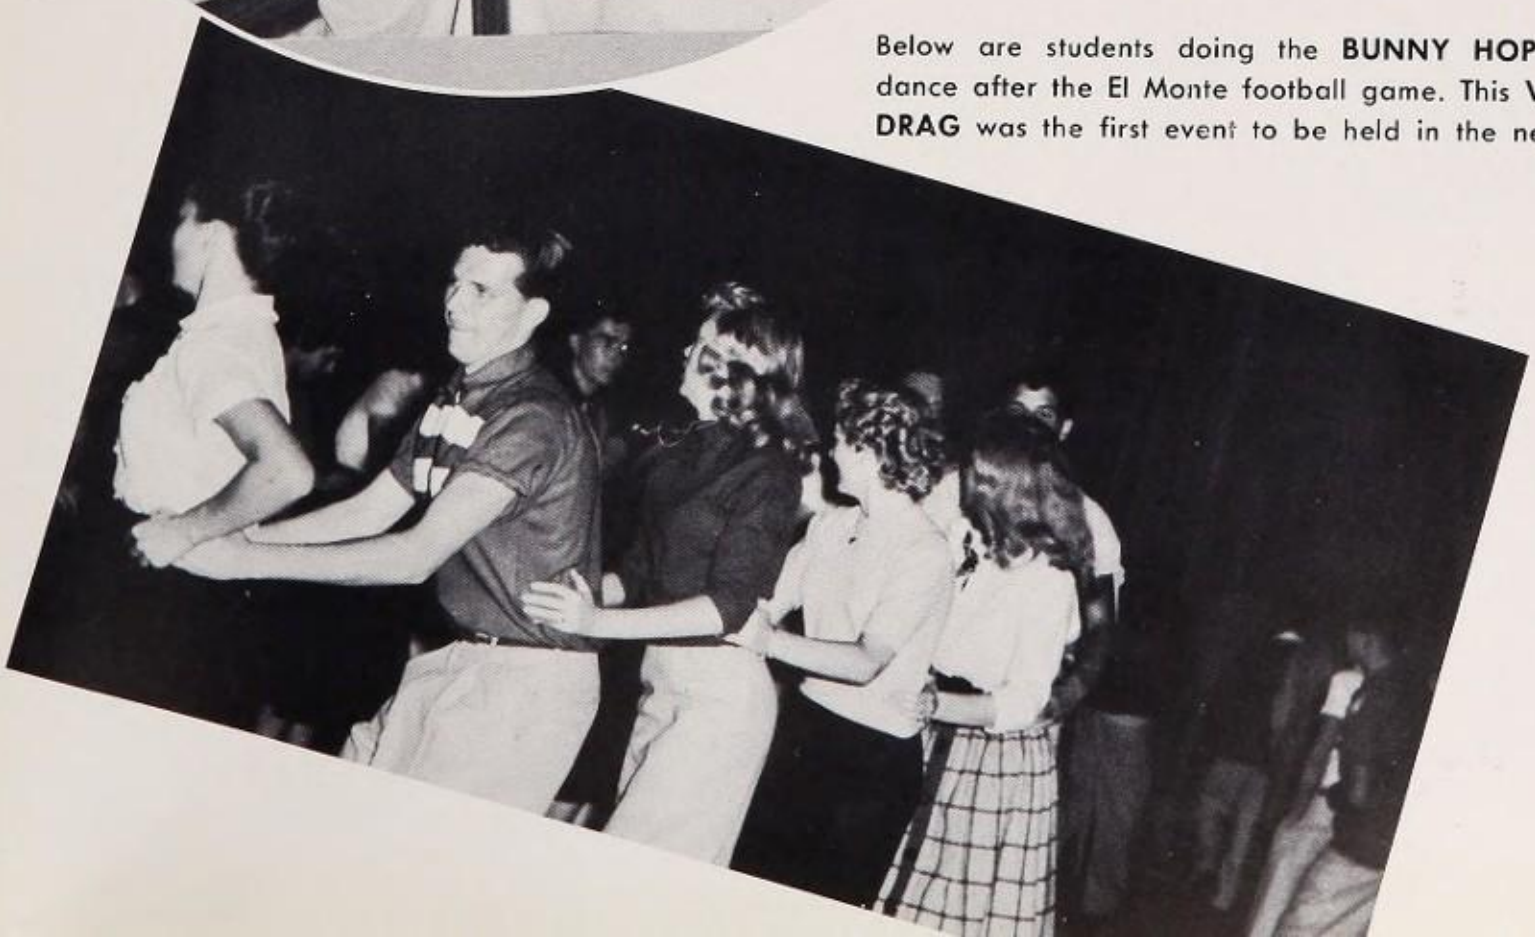
IN THE MERRY, MERRY MONTH OF MAY

NOW IS THE HOUR

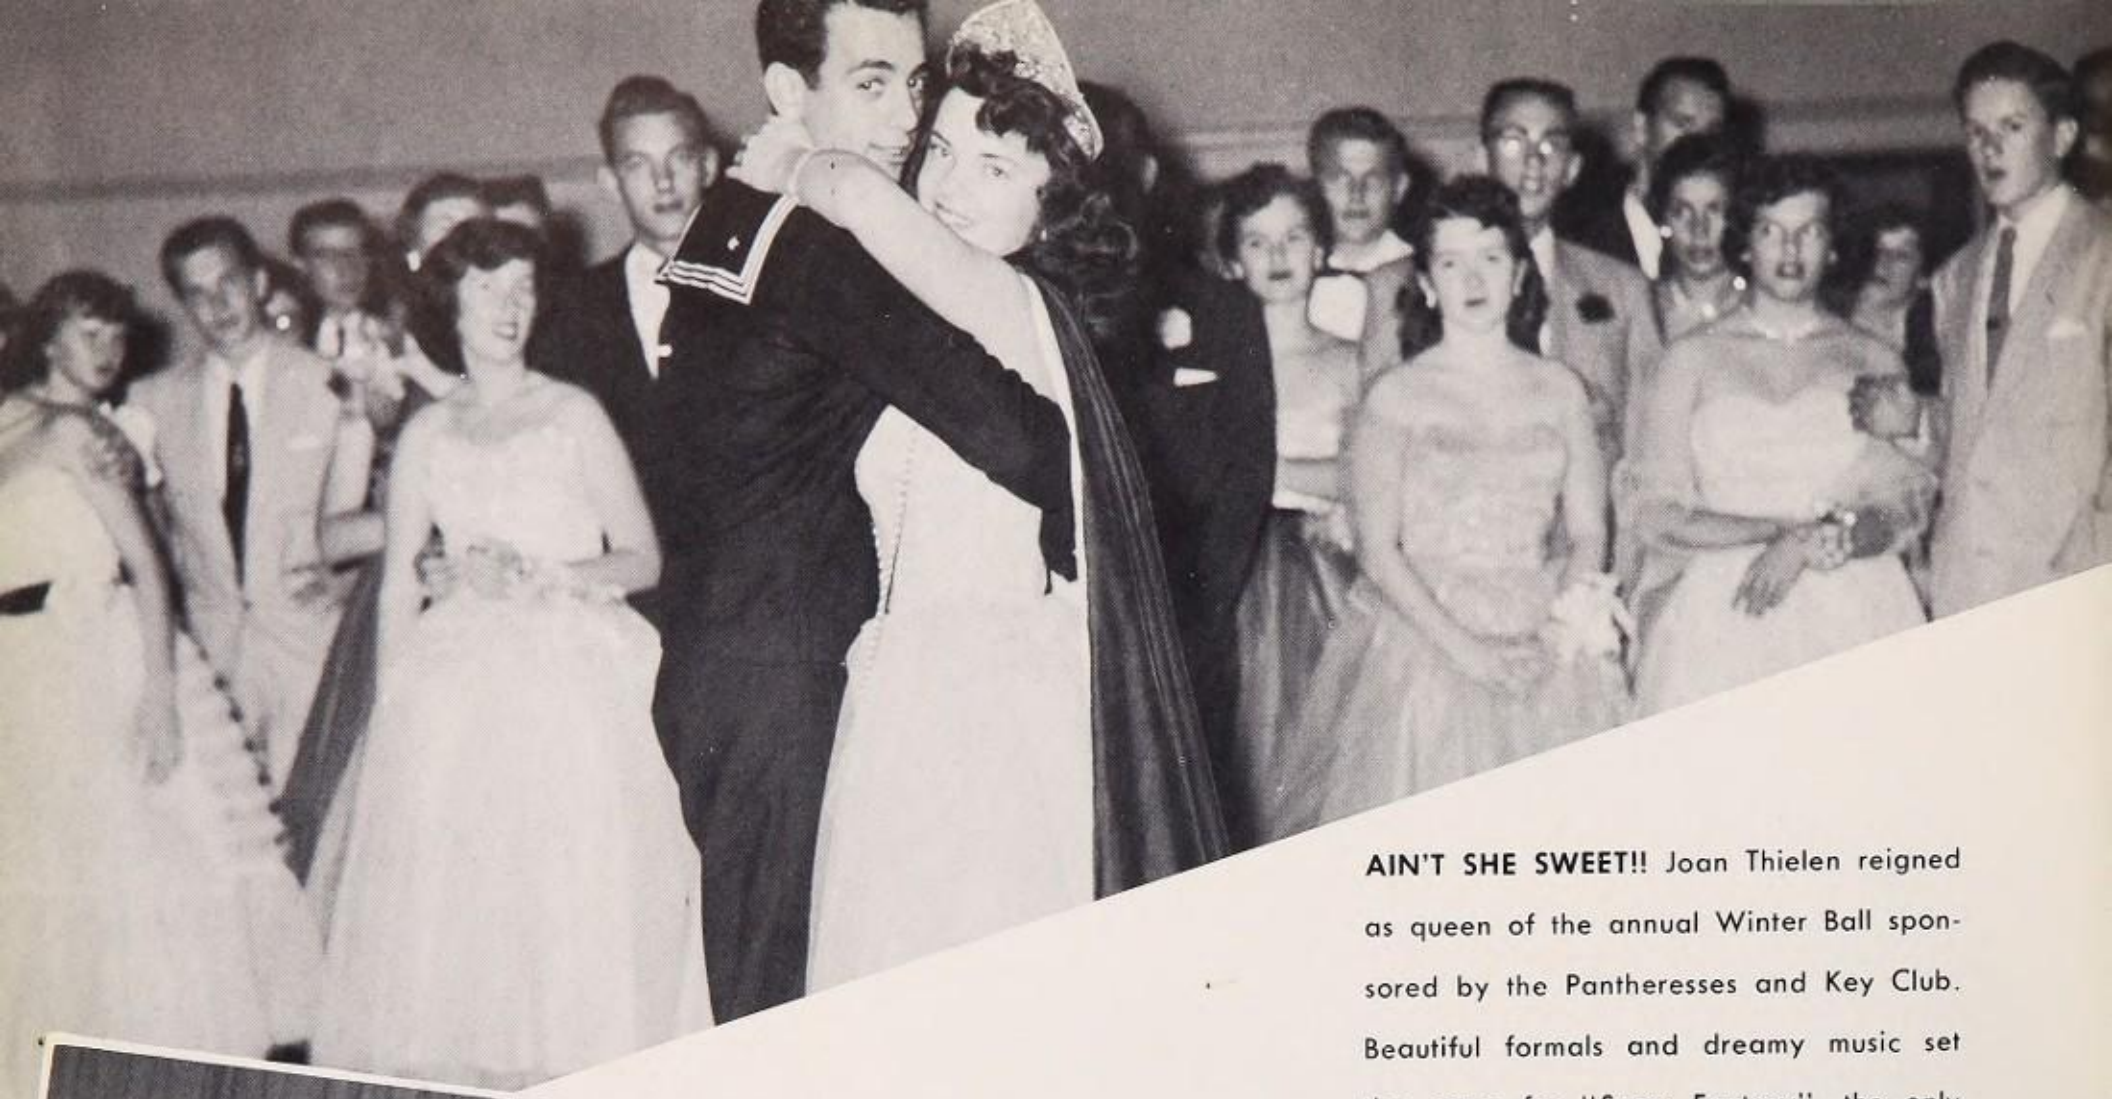
At right are students dancing **CHEEK TO CHEEK** at the annual Howdy Hop. The theme this year was "Sports' Parade". Held in the cafeteria on September 25, it was the first dance of the year.

A floorshow and dinner were the unusual features enjoyed by the students at the "Club Unique" as well as **DANCING IN THE DARK.** The dance was sponsored by the Sagaths and Hi-Y Nobles on October 23.

Below are students doing the **BUNNY HOP** at the dance after the El Monte football game. This **VARSITY DRAG** was the first event to be held in the new gym.



DANCES



AIN'T SHE SWEET!! Joan Thielen reigned as queen of the annual Winter Ball sponsored by the Pantheresses and Key Club. Beautiful formals and dreamy music set the scene for "Snow Fantasy", the only formal dance for the entire student body.

Barbara DeMotte and Paul Washam, Cupid's Couple

THEY WERE DOING THE MAMBO at school dances this year. Cupid's Holiday was a backward dance sponsored by the Spinsters and Varsity Club. Also on the record this year were noon dances with Deck-Out Days. A dance for all students was held on April 1, and the junior-senior prom for upper-classmen.

Playing with outstanding leaders like Wayne Keen and Dick Clark the tennis teams are **RUNNING WILD** as they have run up a good record in practice games. But it will not be the team's individuality but their depth that will place them high in league play this year. The JV'S, who are mostly inexperienced freshmen have a job living up to the past record of RHS tennis teams but their deep set desire to do well will prove to be what it takes to win league titles.

Row 1—Mike Ready, John Thorson, Dough McDonald, David Spellman, John Byerly, Bob Evans, Lee Hubbell. Row 2— Marvin Merle, Bill Baldwin, Gordon Andahl, Richard Tinsley, Verne Sanders, Don Akers, Mike Snelson, Paul Nakamoto, Romeo Maningo, Bob Wickline.
